Interested in completing a Diploma in Special Education while working on your BSc or BA degree?

Students working for a Bachelor of Science (BSc) or a Bachelor of Arts (BA) degree in a school subject may complete a **Diploma in Special Education** along with their Bachelor's degree. The Special Education Diploma program is a 21-credit program designed to help Diploma students develop the skills, knowledge and values needed to specialize in the teaching of children and youth with special educational needs with an emphasis on two areas of concentration in special education: **Learning Disabilities** (Track One) and **Gifted and Talented Education** (Track Two). Completion of the diploma will cover the pre-requisite requirements for MA in Educational Psychology.
