## **Interested in completing a Teaching Diploma while working on your BSc or BA degree?**

Students working for a Bachelor of Science (BSc) or a Bachelor of Arts (BA) degree in a school subject may complete a Teaching Diploma along with their Bachelor's degree. A BSc or a BA in a school subject (sciences, mathematics, language, and social sciences) plus a 21 credit Teaching Diploma is recognized by the Government of Lebanon as equivalent to the License D'Enseignement – i.e. if a total of 111 credits (not including the freshman year) is completed. Completion of a teaching diploma will cover the pre-requisite requirements for an MA in Education in the same field of specialization.
