

ANNOUNCEMENT
THE MIDDLE EAST JOURNAL OF ANESTHESIOLOGY
HAS STARTED ITS ELECTRONIC ISSUES

In order to facilitate worldwide access and citation of the Middle East Journal of Anesthesiology (*Middle East J. Anesth.*) (ISSN 0544-0440) worldwide, the Editorial Executive Board (EEB) in its meeting of Jan. 10, 2008, took a decision to start the Journal's Electronic issues in the form of a link to the American University of Beirut (aub) and can be accessed at the following URL:

www.aub.edu.lb/meja

The EEB expresses its grateful acknowledgment to all editorial and contributory support that the MEJA has received for the last 42 years and looks forward for the continued support of the MEJA's new undertaking.

Anis Baraka, MD, FRCA (Hon.)
Editor-In-Chief
Middle East Journal of Anesthesiology

Ghassan Kanazi, MD, ABA
Professor & Chairman
Department of Anesthesiology
