

RALLYING MIDDLE EASTERN ANESTHESIOLOGISTS TO THE WCA2008

Delegates of the Middle East must realize that it is the first time the World Congress of Anaesthesiologists is to be held in Africa. Our colleagues in Cape Town are congratulated for hosting the WCA 2008 and for sparing no effort to ensure an excellent scientific program and extremely enjoyable social events.

We should not miss the opportunity to participate in the WCA 2008 Cape Town which we consider as our own congress. You will enjoy not only the most up-to-date scientific program but also the wonderful stay in the most beautiful part of the World.
