

AHMAD HUSARI MD, FCCP, D'ABSM
American University of Beirut Lebanon

Dr Husari MD, FCCP, D'ABSM is American Board certified in Pulmonary, Critical Care and Sleep Medicine. He graduated from the American University of Beirut and pursued additional training at prestigious universities in the United States (Johns Hopkins University, University of Maryland and Stanford University). In 2004, Dr Husari moved back from the United States to AUBMC and established the AUBMC Sleep disorders center. Currently, He is an Associate Professor of Medicine and the Director of the Medical Intensive Care Unit in AUBMC. He is also Director of Faculty Affairs, Middle East editor of Chest journal and editor of the Middle East Journal of Internal Medicine. He is the author of numerous publications in pulmonary medicine and sleep disorders. His research interests, other than sleep medicine, include the role of antioxidants and cigarette smoke related lung injury.
