

Mr. Amr Kayali is an Adult Oncology Registered Nurse in N.K. Basile Cancer Institute, Inpatient Unit in the American University of Beirut Medical Center (AUBMC).

He graduated from the Hariri School of nursing (HSON - AUB) in June 2018 and held a Bachelor of Science in Nursing. He acquired a Certification in Hypnotherapy from the National Guild of Hypnotists through the Wellbeing Center-Middle East in January 2019.

He joined AUBMC in July 2018. He has been an active RN in the floor especially during times of crisis where he cross-trained in the Basile Ambulatory Infusion Center for a few months to cover staffing shortage.

In addition, he is a member in the Clinical practice Council since November 2019 and he attended many oncology conferences throughout his career”.
