

Yara Abou Harb, RN BSN MPH

For the last 10 years, Ms. Yara Abou Harb works as Deputy Director for Patient Affairs focusing on ensuring a positive patient experience at AUBMC by advocating for patients and their families. Leading many initiatives in line with the Patient Experience project at AUBMC; echoing patients' voices through engagement in a patient panel where suggestions are relayed to leadership for integration in the decision-making process. Co-founder of a unique initiative "TIES" supporting adults' inpatients.
