Research Education Unit (REU)

The Research Education Unit (REU) offers several educational programs and a wide range of training workshops to individuals inside and outside AUB interested in medical research methodology. The programs and workshops target both basic and advanced levels of the research topics covered and are tailored for participants from different disciplines and training.

REU director

Martine Elbejjani, PhD	Sep 2018 – present
Mona Nabulsi, MD, MS	Oct 2010 – Sep 2018

REU staff

Sara Khansa, MBA	REU coordinator	Jul 2016 - present
Lara Al Hakim, MS	CRU coordinator	Jan 2014 – Dec 2016
Rola El Rassi, MS	CRI administrator	Jan 2011 – Dec 2016
