

Vicky Nassar is currently the Executive Officer for the Abu Haidar Neuroscience Institute (AHNI) and Nehme and Therese Tohme Multiple Sclerosis Center (MSC) and coordinator of the Friends of MS Fund at AUBMC. In 2000, she received her BS in Nursing from the Université Saint Joseph in addition to a Diplome D'Etat Francais. Later she completed her Master's in Public Health at the American University of Beirut with the area of concentration: Health Management and Policy. Nowadays, she is enrolled in her second Master's studies in Business Administration at Olayan School of Business – AUB.

As AHNI Executive Officer she is responsible of the Institute's and MSC's operational and administrative projects that serve the mission and vision of the institute's departments, divisions, centers of excellence and Friends of MS Fund as well as other funds. She led many projects related to health care management, collaboration and awareness campaigns.
