Congratulations to our SHARP Graduates and CaMOP Research Team for a phenomenal performance, with one oral presentation, 2 plenary posters, and 4 posters, to be presented virtually at upcoming annual meeting of the American Society of Bone and Mineral Research (ASBMR, Sept 11-14 2020).

The group submitted a total of 7 abstracts in early spring, despite all challenges, and all will be presented as follows:

- **An oral presentation by Dr Malak El Sabeh entitled** “The Relationship of Total, Bioavailable, and Free 25(OH)D with Indices of Bone Health and Metabolism in Older Adults: A Randomized Controlled Trial”, Malak El Sabeh, Paola Ghanem, Laila Al-Shaar, Maya Rahme, Rafic Baddoura, Georges Halaby, Ravinder J Singh, Roger Bouillon, and Ghada El-Hajj Fuleihan.

- **A plenary poster by Dr Marlene Chakhtoura entitled** “Major Osteoporotic Fracture to Hip Fracture Incident Rate Ratios: a SR of Observational Studies”, Marlene Chakhtoura, Hiba Dagher, Sima Sharara, Nariman Chamoun, Jane Cauley, Ziyad Mahfoud, and Ghada El-Hajj Fuleihan.

- **A poster by Dr Abir Bou Khalil entitled** “Aromatase Inhibitor Induced Bone Loss in Postmenopausal Women with Breast Cancer: A Systematic Review and Meta-analysis of Randomized Controlled Trials”, Abir Bou Khalil, Aya Bassatne, Marlene Chakhtoura, Asma Arabi, Catherine Van Poznak, and Ghada El-Hajj Fuleihan.

- **A poster by Dr Aya Bassatne entitled** “Effect of vitamin D supplementation on hip structural geometry in the elderly”, Aya Bassatne, Thomas Beck, and Ghada El-Hajj Fuleihan.

- **A poster by Dr Maya Barake entitled** “Osteoporotic Fractures in the Arab Region: A Systematic Review”, Maya Barake, MD, Rozana El Eid, Marlene Chakhtoura, Lokman Meho, Tala Mahmoud, Jessica Attieh, Abla Sibai, and Ghada El-Hajj Fuleihan.

- **A poster by Dr Marlene Chakhtoura entitled** “Visceral Adipose Tissue and Major Adverse Cardio-vascular Events: A Systematic Review and Meta-analysis Protocol of Observational and Randomized Controlled Trials”, Randa Saad, Malak Ghezzawi, Renee Horaniew, Katherine Heyman Saunders, John A. Batsis, and Marlene Chakhtoura.
