Adolescent Medicine Elective Rotation

Time	Monday	Tuesday	Wednesday	Thursday	Friday
7:30-8:30			Family Medicine conference		Family Medicine conference
AM	OPD Adolescent	OPD Adolescent	Family Medicine Clinic	Private Clinic Dr. Zeinab Bazzi	OPD Adolescent Family Medicine Clinic
12:00- 1:00	Family Medicine conference			Family Medicine Meeting	
PM	Private Clinic Dr. Beatrice Khater	Family Medicine Clinic (Adolescent)	Administrative time	Private Clinic Dr. Beatrice Khater	Family Medicine Clinic (Adolescent)

Agreed with the inpatient psychiatry department, residents having this elective should do Comprehensive Adolescent Consultation for patients admitted to psychiatry floor aged between 12-24 years. The purpose of these visits is to:

1. offer a chance for these adolescents to be seen by a physician, at least once during this critical age
2. have a general check-up, update on their immunization and assessment of risk-taking behavior. Recommendations will be written on the chart.

This consultation will be free of charge since it has an educational purpose.
