What do we mean by "Authenticated Copy"

All degrees, certificates and other documents issued by institutions located out-side Lebanon have to be authenticated in order to get accepted and be used in Lebanon. Authenticated copy means that the copy of the degree has to be:

- a. Signed and stamped by the institution who issued the degree. Then signed and stamped by the Ministry of Foreign Affairs of the country where the institution is located. Then, signed and stamped by the Lebanese Embassy or Consulate in that country. Then it has to be signed and stamped by the Ministry of Foreign Affairs of Lebanon, once the document is sent to Lebanon; OR,
- b. If the degree is issued by an institution located in the USA, then the copy of the document may be signed and stamped by the AMIDEAST office in Beirut, then it has to be signed and stamped by the Ministry of Foreign Affairs of Lebanon.
