The **SHBPP-AUBFM/MC Bioethics Multimedia Festival** is a celebration of the works of med. 3 students in their “Physicians, Patients and Society 3 (PPS3)” course. Students will be showcasing samples of their bioethics projects (videos, edutainment games, and phone apps) tackling a range of topics. These were chosen as the top 10 submissions for this year. AUBFM is the first teaching hospital to launch such projects and we are very proud to share that experience with you. Enjoy the show!
