

## Medical Humanism Fund

A voluntary Humanism Fund has been created by the Salim El-Hoss Bioethics & Professionalism Program and the AUB Medical Students “to help needy patients who present to AUBMC and who cannot afford to pay for their treatment.”

The Salim El-Hoss Bioethics and Professionalism Program (SHBPP) and the AUBMC Administration would like to expand this voluntary fund to include AUBMC Medical Staff who are willing to volunteer to make a difference in the life of such patients.

Please complete the below form to donate the amount of 100\$/year (which is a minimum of 8.5\$/month) to the Medical Humanism Fund.

I, \_\_\_\_\_ M.D. would like to donate to the Medical Humanism Fund (MHF) at the American University of Beirut Faculty of Medicine. This contribution will be restricted to needy patients at AUBMC and I hereby authorize the AUB Comptroller’s Office to charge:

- 1- My monthly payroll by 8.5\$
- 2- My payroll for a onetime payment by 100\$
