Announces its First National Workshop on

Organ donation, procurement and transplantation: Ethical challenges and future directions

February 21, 2012

Gefinor Rotana Hotel, Beirut, Lebanon

GENERAL INFORMATION

Program Overview

This activity is the first conference on organ donation, procurement and transplantation. It consists of a 3 hours session which aims at bringing Attending physicians, residents, fellows, nurses, members of the organ transplantation committees and AUB Medical Center Ethics Committee together to discuss ethical issues pertaining to organ donation, procurement and transplantation.

Objectives

As a result of attending this course, the participants will be able to do the following:

- ✓ 1. Review the international ethical frameworks for organ donation and transplantation
- ✓ 2. Identify the main ethical issues surrounding organ donation, procurement and transplantation in Lebanon and surrounding regions
- ✓ 3. Discuss ethical solutions for the current problems encountered in organ donation and procurement

Target Audience

This meeting has been designed for physicians, nurses, members of hospital ethics committees, member of the transplant committee and bioethicists.

Venue

This conference will be held at the Gefinor Rotana Hotel, Beirut, Lebanon.

Registration

There will be no registration fee for this conference. However, reservation and registration are required. Kindly send an email to ba45@aub.edu.lb to reserve a seat.

Accreditation

This conference will be accredited by the Lebanese Order of Physicians.

A “**Certificate of Attendance**” will be issued to all the attendees at the end of the workshop.
