

Hisham Bawadi

Assistant Project Director, Hospital Information System (AUMBC); 15 years of service

Dynamic and well versed, Hisham lives by service excellence. The success story of Hisham began 15 years ago. He steadfastly climbed from Registered Nurse to his present position as: Assistant Project Director. Hisham's continuous diligence and dedication enabled him to successfully complete the EPIC project on time and on budget. He worked tirelessly more than 80 hours a week for the last two years taking full stewardship of this project. Hisham was pivotal in the successful launching of EPIC. Hisham is a transformational leader. He empowers his team, and brings massive projects to life. Hisham's involvement in the go-live for EPIC, was truly epic!
