

Rawad Jamaledine

Patient Safety Officer, Quality, Accreditation & Risk Management Program (Medical Center); 12 years of service

Rawad's story at AUB began 12 years ago, when he started as a Practical Nurse. His story is a success story, he started moving up the ladder from a Practical Nurse, Floor Clerk, RN, and presently Patient Safety Officer. Rawad continuously improved himself and expanded his service excellence to the University. He has successfully introduced and implemented various programs and initiatives that have been instrumental in improving quality of service and saving thousands of dollars for the institution. Wherever he goes, he builds trust with the people he works with and serves, always making his dedication and service to AUB his number one priority.
