

Sana Kanaan

Nurse Manager, CCU, (AUBMC), 32 years of service.

Eloquent, confident and a lifelong learner, Sanaa embodies Service Excellence. She graduated in 1986 as a registered Nurse and moved to Head Nurse in the CCU in 1990 and now currently holds the title of CCU Nurse Manager. She is responsible for the inception and creation from A-Z of the Samir Alam Heart Failure Unit. Her team describes her as inspirational and committed. She lives by the motto that a leader's circle of influence is more important than authority or control. The path to an excellent customer experience begins with a committed and inspirational manager like Sana.
