

Walid Rashid

Mr. Walid Rashid began at AUBMC as a Registered Nurse in 1991. Through his diligence and hard work he now holds the title of Nurse Leader for Clinical Affairs.

His colleagues describe him as a mentor who promotes work-life balance and teamwork. He is noted for being extremely proactive at getting the full involvement of all team members to derive the best results.

Walid is an active member of several committees and taskforces at AUBMC to which he contributes fully and he is also cited for his great contributions to the successful push for Magnet redesignation.

There are many stories that attest to his creativity and innovative problem-solving. Some of these include minimizing waiting time in the OR, redesigning underutilized space to accommodate more patients, and saving money by refurbishing old furniture.

A colleague summarizes Walid's contributions, saying "he brings added value with his professionalism, integrity, intelligent risk-taking, and strong ethics."

Walid Rashid is a pillar of the Nursing Department. He is loved by his team as well as the clients he serves. It is individuals like Walid that make AUB and AUBMC fulfill their message of excellence.
