

Rafic Hariri School of Nursing

Bachelor of Arts/Bachelor of Science- Bachelor of Science in Nursing (BA/BS-BSN)

The BA/BS-BSN program is registered by the Department of Education of New York State and accredited by the Commission on Collegiate Nursing Education (CCNE) in the United States. This program is open for students who have a BS or BA degree and are interested in earning a second undergraduate degree in nursing.

Pioneering Achievements

and Global Vision

Objectives

The program prepares generalists to provide humanistic care to a multicultural clientele in various health care settings.

Structure

- » Students must take prerequisites and all nursing courses to satisfy the requirements of the BSN degree.
- » Students must be resident at AUB for a minimum of four semesters.
- » Students are evaluated individually and their curriculum planned accordingly.

Curriculum

This accelerated program is designed for individuals who have a BS or BA in a field other than nursing. The streamlined curriculum permits students to earn a BSN in 24 months. Students who graduate from this program are eligible to sit for the Lebanese National Colloquium Exam to qualify to become registered nurses.
