

# Towards a Just Lebanon

Mapping the demands and goals of the October Uprising\*

\*This diagram is based on a desk review and context assessment conducted by AUB's Issam Fares Institute for Public Policy and International Affairs, compiling the demands of 51 groups across Lebanon participating in the October Uprising. The main purpose of the desk review is to shed a light on the most commonly stated demands by these groups. Generalizations pertaining to all groups participating in the uprising and the entire population are not intended.
