Academic Integrity seminar – Cairo 2015

Egyptian Universities' Libraries Consortium - Supreme council of universities along with Turnitin and Techknowledge companies, invited all Egyptian Universities and institutions to an Academic Integrity seminar on Oct. 18, 2015.
More than 150 participants from educational institutions in Egypt and the region attended the seminar, along with representatives from Turnitin company who presented recent product updates. It was a great opportunity to share experiences with specialists from around the region.

Wissam Nahas (eLearning Manager) and Anis Jradah (Application Analyst) from IT department were invited by the Turnitin company to represent AUB in the Academic Integrity Seminar that was held at the University of Cairo. Wissam and Anis shared AUB’s experience with Turnitin application the plagiarism prevention system, that was used by AUB faculty and students since 2004. With more than 10 years of usage, there were many lessons and recommendations to share with the Egyptian universities.

At the end of the seminar, Turnitin and Techknowledge companies along with the director of the Egyptian Universities' Libraries Consortium, thanked AUB representatives for accepting the invitation and for delivering an impressive presentation in the seminar.
