

Editor-in-Chief

Mohamad Wehbe

graduated with a BS in biology and a minor in chemistry from the American University of Beirut (AUB). He is currently a second year medical student at the Faculty of Medicine at the AUB. He joined Mouzakara Jandariya in April 2021 because he partook in two gender courses throughout his senior year and wanted to further expand his knowledge about gender studies in academia. Being part of the team, Mohamad enjoys interacting with writers and editors and coming up with new creative ideas.

Senior Editor

Said Rafik Lahmari

Said Rafik Lahmari is a Communication and Media Studies graduate from the Faculty of Arts and Sciences (FAS) at AUB. He joined Mouzakara Jandariya in April 2021 because he wanted to be involved in gender-related activities as he prepares to dive into the world of academia and gender studies. Rafik advocates for gender equality and believes in the power of academia and in generating gender-related literature that can affect governmental policies and change societal discourses. Being part of the team, Rafik enjoys the editing process and delegating other aspiring editors into making a change using research and academic themselves.

Senior Editor

Nahida Shehab

Nahida Shehab is a senior finance student at the Suliman S. Olayan School of Business (OSB) at AUB. As a former MEPI-TLS, she joined Mouzakara Jandariya in April 2021 to give back to the program by assisting new scholarship recipients in sharing their stories. Being part of the team, Nahida enjoys further engaging in a non-discriminating community to whom she can deliberately voice her opinion on stuff that matter.

Senior Editor

Ameed Shehayeb

Ameed is a senior chemical engineering student at the Maroun Semaan Faculty of Engineering and Architecture (MSFEA). He joined Mouzakara Jandariya in April 2021 during its founding phase and is now a senior editor. The main motive behind joining was the strive for increasing gender literacy on campus all while helping in the creation of a safe space for sharing thoughts and ideas. Being part of the team, Ameed enjoys learning more about gender-related matters in addition to reading submissions.

Junior Editor

Karim Hout

Karim Hout is a Junior Computer Engineering student at the Maroun Semaan Faculty of Engineering and Architecture (MSFEA) at AUB. He joined Mouzakara Jandariya in May, 2022 because he wants to create a positive social impact by promoting the value of gender equality and fighting for women's rights. Being part of the team, Karim enjoys problem solving and likes to read about European history in his free time.

Junior Editor

Ali Malli

Ali Malli is a senior chemical engineering student at the Maroun Semaan Faculty of Engineering and Architecture (MSFEA). He joined Mouzakkara Jandariyyah in November 2021 as a junior editor as he wanted to take part in building a platform addressing gender studies in his vicinity. Being part of the team, Ali enjoys reading and editing submissions related to gender in science, technology, engineering, and mathematics (STEM) to further highlight this topic in the scientific and academic communities.

Junior Editor

Malak Al Najjar

Malak Al Najjar is a Junior English Literature student at the Faculty of Arts and Sciences (FAS) at AUB. She joined Mouzakara Jandariya in November 2021 because she wanted to be involved in creating a positive change on campus regarding important gender topics. Being part of the team, Malak enjoys engaging in reading articles/books that keep her aware of today's social issues.

Website Designer

Leen Daher

Leen daher is a fourth year Electrical and Computer Engineering student at the Maroun Semaan Faculty of Engineering and Architecture (MSFEA) at AUB. She joined Mouzakara Jandariya in May, 2022 because she wanted to be part of a team that strives to make the campus a safe space for the students. Being part of the team, Leen enjoys working on the designs and learning more about gender related topics from the submissions.
