Accelerate your career with a distinctive MBA degree designed to give you the flexibility to join remotely and customize the pace of your studies to fit your active lifestyle.

## PROGRAM HIGHLIGHTS

World-renowned faculty who will readily guide you through the program, answer inquiries, and manage your learning journey

Focused on global experiential and analytical learning, our MBA is anchored in the MENA region and leverages team work to create an online community of learners

Acquire vital knowledge and skills to go on and build prosperous careers in various industries

Join a prestigious network of alumni and gain access to a community widespread across the globe and a variety of industries

## LEARNING EXPECTATIONS

Our MBA Online, offers a carefully designed, flexible, and innovative mode of delivery of the curriculum. Built upon interactive and adaptive components, our multi-modular format takes you through **eight core disciplines of business**, and **four elective courses**. The electives give you the option to customize your learning journey through a choice of concentrations. You can focus your expertise on areas of interest such as finance, entrepreneurship, analytics, and/or human resources. Our program is conveniently designed to accommodate part-time working students, but can be completed, under certain conditions, on an accelerated basis as well.

CORE FOCUS	Intermediate Corporate Finance	Strategic Management
	Financial Reporting and Analysis	Prices, Markets and the Economic Environment
	Models for Decision Making	Leadership and Behavior in Organizations
	Operations and Process Management	Marketing Management

# ADMISSIONS

The MBA Online program is looking to attract and admit candidates with balanced competencies including excellent analytical skills and leadership potential. We usually require:
